

The Atrium has become the number one event center in the Atlanta area, centrally located in Stone Mountain, Georgia. The Atrium's recent renovation project was completed at the end of 2007. Emerging from this project is a modernized facility equipped with a state of the art sound and lighting system. The lower level has two separate venues separated by the main lobby that is located in the center of the facility. The stages are set apart from each other which makes it possible to have a two shows going on simultaneously.

The facility holds 3,500 persons comfortably. The parking lot can accommodate the capacity without any parking fees. The Atrium doors are open to local, regional, national and international groups, as well as private social events, such as wedding receptions, birthday parties, and fashion shows. You can also book The Atrium for rehearsals and for meetings that will require a large space.

Our Facility includes:

- 2 Stages w/superior sound intelligent lighting and huge dance floors

- High performance laser Show on both dance floors

- 3 separate party rooms
